

## NMP 18 LTX BL M10 (601788850) Cordless rivet nut gun 18V; Cardboard box

Order no. 601788850

EAN 4061792212909

Product may differ from Image

- Cordless rivet nut gun with setting power adjustment for blind rivet nuts up to M10 in aluminium, M8 in steel, M6 in stainless steel
- Versatile use thanks to mandrel quick change system
- Automatic drill-on of the blind rivet before setting
- Time-saving auto-reverse function: Pull mechanism returns to starting position after setting and nut is drilled off the mandrel
- Easy presetting of the placement force on the LED display for working that is gentle on the material and threads
- LED display with protective cover: 10 memory positions for retrieveable settings
- Selectable LED light during setting or continuously (max. 10 min)
- Eyelet for energy-saving work with balancer / spring tension
- With matching adapter (accessory) also suitable for blind rivet studs
- Powerful Brushless motor for quick work progress and highest efficiency
- Practical storage screwed onto the housing for additional mandrels
- Many brands, one battery pack system: This product can be combined with all 18V battery packs and chargers of the CAS brands: [www.cordless-alliance-systems.com](http://www.cordless-alliance-systems.com)

## Technical data

### Characteristics

|  |               |
|--|---------------|
| Battery voltage                          | 18 V          |
| Max. blind rivet nuts in aluminium       | M 10          |
| Max. blind rivet nuts in steel           | M 8           |
| Max. blind rivet nuts in stainless steel | M 6           |
| Placement force                          | 15 kN         |
| Device travel                            | 10 mm / 3/8 " |
| Weight without battery pack              | 2 kg          |
| Weight with battery pack                 | 2.4 kg        |

### Vibration

|                              |                      |
|------------------------------|----------------------|
| Uncertainty of measurement K | 1.5 m/s <sup>2</sup> |
|------------------------------|----------------------|

### Noise emission

|                              |          |
|------------------------------|----------|
| Sound pressure level         | 52 dB(A) |
| Sound power level (LwA)      | 63 dB(A) |
| Uncertainty of measurement K | 3 dB(A)  |

## Scope of delivery

Mandrels M4, M5 and M6  
 Hexagonal wrench  
 Open-end wrench  
 without battery pack, without charger  
 Mouthpieces M4, M5 and M6  
 Placement force information card
