- Compact multi sander with triangular and rectangular sanding plates for versatile sanding of corners, edges, and small surfaces
- Comfortable guidance close to the surface thanks to the low overall height.
- Low-vibration working thanks to smooth running operation
- Grip area with non-slip soft-grip surface
- Unique Metabo brushless motor highest efficiency when grinding, also in continuous mode
- Orbit diameter 2.0 mm for highest surface quality with good material removal
- Infinitely variable speed control for working with different materials
- With easy to empty textile dust bag for working without extraction facilities
- Can be connected to an all-purpose vacuum cleaner with the coupling bush 630798000
- Removable protector protects adjacent surfaces and increases the service life of the sanding plate
- With attachment point for tool safety straps for working at great heights
