Product may differ from Image

- System solution for comfortable sanding of primed surfaces on walls or ceilings with effective extraction
- Long-neck sander LSV 5-225 Comfort: optimum balance when working, as the centre of gravity of the machine is not at the head. Extraction through the housing without hose for maximum flexibility of the sanding head. With variable length adjustment: can be shortened or extended quickly and easily for narrow rooms or high ceiling rooms. Optional LED light.
- All-purpose vacuum cleaner ASR 35 L ACP: vacuum cleaner for liquids and dry solids with commercial registration. Particularly suited for extracting concrete and stone dust. AutoCleanPlus: save time and money with automatic MPulse filter cleaning in continuous use. User safety: certified in accordance with EU standard for dust class L.
