

## Mega 580-200 D (601588000) Compressor (380-415 V / 50 Hz); Cardboard box

Order no. 601588000  
EAN 4007430253866

Product may differ from Image

- More powerful and robust V-belt compressor for demanding use
- Belt drive for low speeds and a particularly quiet operation
- Two-stage compression for particularly high performance and long service life
- For three-phase current
- Working pressure can be regulated according to application by means of a filter pressure reducer with manometer
- Convenient pressure switch for good cold starting, complete with relief valve
- Additional manometer for displaying the tank pressure
- Overload protection: protects the motor from overheating
- Oil-lubricated 2-cylinder piston compressors for high air supply volume
- Rubberised, stable wheels and pull handle for mobile use
- 10 year tank warranty against rust

**Technical data****Characteristics**

|                                                  |                                            |
|--------------------------------------------------|--------------------------------------------|
| Suction rate                                     | 510 l/min / 135 gal/h                      |
| Filling capacity                                 | 395 l/min / 14 cfm                         |
| Effective delivery volume (at 80% max. pressure) | 360 l/min / 12.7 cfm                       |
| Maximum pressure                                 | 11 bar / 160 psi                           |
| Mains voltage                                    | 380 - 415 V                                |
| Rated input power                                | 3 kW / 4 HP                                |
| Maximum speed                                    | 1400 rpm                                   |
| Tank capacity                                    | 200 l / 52.8 gal                           |
| Sound pressure level (LpA)                       | 87 dB(A)                                   |
| Sound power level (LwA)                          | 96 dB(A)                                   |
| Dimensions                                       | 1430 x 550 x 1010 mm // 4.7 x 1.8 x 3.3 ft |
| Weight                                           | 136 kg / 300 lbs                           |
| Cable length                                     | 1.5 m / 5 ft                               |

**Noise emission**

|                         |          |
|-------------------------|----------|
| Sound pressure level    | 87 dB(A) |
| Sound power level (LwA) | 96 dB(A) |

**Scope of delivery**

3 Universal couplings
