

## BSA 18 LED 4000 (601505850) Cordless site lights 18V; Cardboard box

Order no. 601505850  
EAN 4061792217782

Product may differ from Image

- Compact cordless site light with 4000 lumens for extensive and even working light with reduced shadowing
- Integrated magnets for fast fixing on metal surfaces
- Handle and light, compact design for quick change of position and for on the go
- Practical suspension possibilities on lamp base and housing recess
- Battery pack runtime at max. luminosity of 35 min per Ampere hour (Ah), e.g. 5.8 hours with an LiHD battery pack 18 V / 10 Ah
- Lamp head can be turned 270° providing almost infinite positions for the lamp
- Stepless dimmer function for optimal light with maximum battery run time
- Clearly visible display of the remaining battery runtime, a flashing light warns before the end of the runtime to avoid dangerous situations in the dark
- Prepared for tripod use (5/8" thread)
- Protected from dust and splash-proof for demanding building site use (IP 54)
- USB port for charging and operating USB devices (max. charging current 1 A)
- Rubberised stand for secure positioning and gentle contact on delicate surfaces
- Many brands, one battery pack system: This product can be combined with all 18V battery packs and chargers of the CAS brands: [www.cordless-alliance-systems.com](http://www.cordless-alliance-systems.com)

## Technical data

### Characteristics

|                                        |                                                                                                                                                                                  |
|----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Max. luminous flux                     | 4000 lm                                                                                                                                                                          |
| Max. operation time per battery charge | 18V Battery pack 4.0 Ah LiHD: 2.3 h / 18V Battery pack 10.0 Ah LiHD: 6.5 h / (approx. 35 minutes per Ah at max. light output) / (approx. 35 minutes per Ah at max. light output) |
| Weight without battery pack            | 1.9 kg                                                                                                                                                                           |
| Weight with battery pack               | 2.5 kg                                                                                                                                                                           |

### Scope of delivery

without battery pack, without charger
