

WORLD'S
FIRST

when it really counts

UNIQUE COMBINATION: COMPACT PANEL SAW AND PRECISION SKIRTING SAW IN ONE.

The new KGSV 72 Xact SYM mitre saw is a mobile all-rounder for floorers: It is the world's only saw to combine the classic functions of a mitre saw with a symmetrically adjustable stop system. Thanks to this patent-pending combination, users can accurately cut panels and also skirtings. The user can saw accurate mitres quickly by transferring angles directly from the bevel without any calculating and measuring thanks to the symmetrically adjustable stop system. The saw is constructed with integrated traction bars that do not extend rearwards making it extremely compact and easy to transport. With its fine-toothed saw blade and traction function guided by bearings on both sides, it delivers precise cutting results in floor panels up to 305 mm, skirtings and aluminium profiles.

Effective dust/chip extraction
via integrated
dust/chip scoop

Speed control for extended range
of application, e.g. for cutting
aluminium profiles and plastics

**Time-saving and precise sawing
of mitres** without calculating and
measuring thanks to easy transfer of
angles from bevel to stop system

Extremely compact thanks to
integrated traction bars

WORLD'S FIRST

Mitre saws with traction function

Available from June 2016

Technical data	KGSV 72 Xact SYM (fig.)	KGSV 72 Xact
Order no.	612216	611216
Dimensions	660 x 540 x 415 mm	660 x 540 x 415 mm
Cutting capacity 90°/90°	305 x 72 mm	305 x 72 mm
Cutting capacity 45°/45°	215 x 42 mm	215 x 42 mm
Turntable setting left/right	50°/50°	50°/50°
Saw blade tilt left/right	47°/47°	47°/47°
Saw blade Ø	216 mm	216 mm
Rated input power (S6 20%)	1,800 W	1,800 W
No-load speed	2,200–6,300 /min	2,200–6,300 /min
Cutting speed	25–70 m/s	25–70 m/s
Angle stop system inside/outside	0–50°	–
Weight (without mains cable)	18.3 kg	16.1 kg
Double line laser	■	■

Scope of delivery

Carbide saw blade, 2 integrated table width extensions, material clamp, tool for saw blade change, cable winder, angle bevel (only KGSV 72 Xact SYM)

Extremely compact thanks to **incorporated traction bars**, no space required behind the saw

Compact traction function for wide workpieces up to 305 mm

Symmetrically adjustable stop system for time-saving and accurate sawing of mitres (only KGSV 72 Xact SYM)

Maximum productivity with the right system

NEW

Stands for mitre saws

KSU 401 (Fig.)
Overall length 168 – 400 cm
Order no.: 629006000

KSU 251
Overall length 127 – 250 cm
Order no.: 629005000

The perfect circular saw blade for laminate and skirtings
highest cutting quality with very long tool life
HW/CT 216 x 2.4 (1.8) x 30 mm
60 FZ/TZ; 5° neg.
Order no.: 628083000

All-purpose vacuum cleaners
ASR 35 M ACP
Order no.: 602058
