PREVENTING INJURIES AND SAVING LIVES SINCE 1966
## Introducing ‘Drop Secure’ Angle Grinders

Another added safety feature from Metabo...

- Secure tethering eye at the rear of the tool for attachment to a lanyard. Attachment is out of the operators way

- Metabo’s exclusive mechanical brake system Stops grinding disc under 2 seconds, thin cutting wheel under 1 second

- Includes the proven S-Automatic Safety Slip Clutch that helps to prevent kickback
