PROFESSIONAL POWER TOOL SOLUTIONS

# PRESS RELEASE

**Metabo Introduces its Mobile Safety Training/Job-site Event Trailer.**

*Metabo is touring the US to promote and educate tool productivity and safety.*

**July 10, 2017 – West Chester, PA** – Metabo Corporation, a leading international manufacturer of professional grade cordless and corded hand-held power tools and accessories, introduced its Mobile Safety Training / Job-site Event Trailer at its North America headquarters in West Chester, PA and on “Facebook Live” on Friday, July 7<sup>th</sup>.

The multi-purpose trailer is completely wrapped in graphics and features a high definition tv and sound system. It's fully outfitted, and in a matter of minutes can be ready to showcase Metabo's range of products at open houses, special events, local and regional trade shows, job-sites and training centers. The trailer will be able to utilize on-site electric power or create its own with a propane powered generator, so it can be used inside or anywhere where power is inaccessible.

“Thanks to our media center and a wide array of demonstration tools, we are molding the Safety Training / Job-site Event Trailer to be a valuable training tool for product and safety education.,” said Larry Pecht, National End User Account Manager.

Metabo's S.E.A.L. (Safety, Education, Application, and Leadership) Team, a highly-experienced team of 'Safety Experts,' are taking the new vehicle on the road. They will visit industrial work sites, union and other training facilities in the Northeast and Mid-Atlantic US for several weeks before moving towards the Midwest.

**FOR IMMEDIATE RELEASE**

If you are interested in scheduling Metabo's trailer for a free onsite visit or training session, please contact Larry Pecht at [lpocht@metabousa.com](mailto:lpocht@metabousa.com) or (281) 948-2823.
