PRESS RELEASE

Metabo introduces the 18V Brushless Blind Rivet Gun

Compact, powerful and ergonomic solution for riveting

July 2018 – West Chester, PA - Metabo Corporation, a leading international manufacturer of industrial grade cordless and corded power tools and accessories, introduces the 18V Brushless Blind Rivet Gun.

The 18V Brushless Blind Rivet Gun (NP 18 LTX BL 5.0) is perfect for securing steel/stainless steel or aluminum in place. It can rivet up to 3/16" in steel and 1/4" in aluminum. And with a compact 4.0 Ah LiHD (Lithium High Density) battery, it can secure 2,000 3/16" rivets on a single charge and has a pulling force of 2,250 lbs.

"Metabo has thought of everything when creating this cordless tool. It is not only as fast as an air tool but is a problem solver on many levels.

Metabo revolutionizes the sheet metal assembly process by making it cordless," says Antoine Derché, Metabo's Director of Product and Marketing.

This one-handed rivet gun is extremely fast, lightweight and balanced for maximized ergonomics. It includes safety features, such as; hand protection guard, balancing loop, integrated nose piece storage and a LED light for illuminating work. It also has a transparent container attached to the back for convenient storage of pins that doubles as a tool for quick changing nose pieces.

The 18V Brushless Blind Cordless Rivet Gun, when combined with the Metabo 18V High-speed Drill (BE 18 LTX 6) creates a powerful duo for all your riveting needs! The 18V High-speed Drill has a no-load speed of 4,000 rpm, 35 inch lbs. of torque, designed for drilling up to 1/4 in steel and 1/2" in wood.
