

PS 18000 SN (0251800000) Dirty water submersible pump
(220-240 V / 50 Hz); Cardboard box

Order no. 0251800000
EAN 4003665502311

Product may differ from Image

- For pumping empty, pumping dry and circulating fresh water or dirty water from containers, tanks or flooded cellars
- Double seal system for protection of the pump if the water is particularly dense or contains large particles
- Overload protection: protects the motor from overheating
- Adjustable float switch for automatic mode
- Durable housing made of non-corrosive stainless steel
- Ergonomic handle for comfortable transport

Technical data

Characteristics

Rated input power	1100 W
Maximum delivery rate	19000 l/h
Maximum delivery height	11 m
Maximum pressure	1.1 bar
Maximum immersion depth	7 m
Discharge port	1 1/2" female thread
Pump housing	Stainless steel
Protection type IP	IP X8
Maximum particle size up to	35 mm
Number of impellers	1
Dimensions	265 x 200 x 360 mm
Weight	7.9 kg
Cable length	10 m

Scope of delivery

Angle connection piece with multi-adapter
Float switch
