

## BSA 18 LED 4000 (601505850) Cordless Site Lights 18V; Cardboard box

Order no. 601505850  
EAN 4061792217782

Representative picture

- Compact 4000 lumen cordless site light for extensive and even illumination of the workplace, with reduced shadowing
- Integrated magnets for quick attachment to metal surfaces
- Handles and light, compact design for quick change of position and for on the go
- Practical hanging features on lamp base and housing opening
- Battery run time at max. brightness setting of 35 min per ampere hour (Ah), for instance 5.8 hours with an 18 V/10 Ah LiHD battery pack
- Light head can be swiveled horizontally by 270° for almost infinite light positioning options
- Infinitely adjustable dimmer function for optimal lighting and maximum battery life
- Clearly visible display of the remaining battery life; a flashing light provides a warning before the end of the run time to avoid dangerous situations in the dark
- Equipped for use with a tripod (5/8" thread)
- Dust and splash-proof for difficult site conditions (IP 54)
- USB connection for charging and operating USB devices (max. charging current 1 A)
- Rubberised stand for secure positioning and gentle use on delicate surfaces
- Multiple brands, one battery pack system: This product can be used with all 18 V battery packs and chargers from CAS brands: [www.cordless-alliance-system.com](http://www.cordless-alliance-system.com)
