

## BSA 18 LED 5000 DUO-S (601507850) Cordless Site Lights 18V; Cardboard box

Order no. 601507850  
EAN 4061792236684

Representative picture

- Tripod light with two individually adjustable 5000 Lumen construction site lights for flexible, bright light throughout the work area
- Optimal lighting in every desired angle thanks to two rotating and swiveling spotlights
- Stable tripod with simple height adjustment up to 2 meters for optimal lighting in any application
- Set up and fold up the construction site light in seconds
- Easy transport thanks to small folded dimensions, comfortable carrying handle and low weight
- Two lighting levels for optimal lighting and maximum battery pack runtime
- Battery pack run time at max. brightness setting of 25 min per ampere hour (Ah), for instance 4 hours with an 18V/10 Ah LiHD battery pack, or 8 hours on light level 1
- Multiple brands, one battery pack system: This product can be used with all 18 V battery packs and chargers from CAS brands: [www.cordless-alliance-system.com](http://www.cordless-alliance-system.com)
