Order no. 601789620
EAN 4061792210356

Representative picture

- Quickly, cleanly remove weld beads in a single work step with the newly developed metal weld shaver
- Weld bead removal creates small metal chips (not hazardous metal dust)
- One-touch controller: patented, tool-free setting of the cutting depth in 0.1 mm increments
- Ready for use in seconds thanks to the magnetic guide rail which can be attached without tools (50 cm long, extendable)
- Simply and easily exchange the indexable inserts on the cutter head
- Streamlined handle area and large bow type handle which can be adjusted without tools for reliable, even guidance
- Vario Tacho Constamatic (VTC) Full-wave Electronics with Thumbwheel: for working at customized speeds to suit the application material and speeds that remain almost constant, even under load
- Electronic soft start and restart protection
- With metaBOX, the smart solution for transportation and storage
