

Extraction Hood Clip CED 125 Clip (630401000)

Order no. 630401000

EAN 4061792134836

Representative picture

- Suction hood clip for angle grinders with Ø 125 mm for low-dust dry cuts up to 30 mm in mineral-based materials
- Efficient dust extraction for health protection and clean construction sites. Anti-static material prevents electrical charges and dust collection
- Excellent view of the interface thanks to the efficient design of the suction hood
- Quick, toolless attachment on the angle grinder guard
- Connection for dust extraction Ø 1-1/2"
- Cordless Angle Grinder: Suitable for all Metabo angle grinders with a diameter of 125mm, except for flat head angle grinders
- Plug-in Angle Grinder: Suitable for all Metabo angle grinders with a diameter of 125mm (from 2008 onwards), except for flat head angle grinders
