

## Straight Shank 2-Cutter Pro VX2 Design 9/32" x 2 x 4 (676140000)

Order no. 676140000

EAN

Representative picture

- Special carbide tip has low wear, high life expectancy, and improved resistance to damage when hitting rebar. Aggressive carbide cutting edge provides rapid penetration and makes drilling possible even through hard aggregate. Centering point on tip reduces bit "walking". 30% more holes per charge when used with cordless impact drills. Premium alloy steel construction maximizes life expectancy.

**Technical values**

**Parameters**

Diameter	9/32 "
Working length	2 "
Overall length	4 "
