

SDS-Plus Carbide Drill Bit 4 Cutter Design 3/4" x 8" x 10" (676181000)

Order no. 676181000

EAN 662911304563

Representative picture

- Drills precise round holes for ease of anchor installation and stronger anchor holding
- Lowest vibration for greater user comfort and reduced strain on the rotary hammer
- Maximum drilling speed from additional carbide in tip
- Double spiral flute for fast dust extraction maximizes bit life and drilling speed

Technical values

Parameters

Diameter	3/4 "
Working length	8 "
Overall length	10 "
